INFORMATION DISCLOSURE STATEMENT  
UNDER 37 CFR 1.97

Applicants submit herewith the following patents  
and publications, as listed on the attached PTO-1449 forms  
pages 1 to 22. Applicants submit that these are patents and  
publications of which they are aware, which they believe may  
be material to the examination of this application, and in  
respect of which there may be a duty to disclose in  
accordance with 37 CFR 1.56.

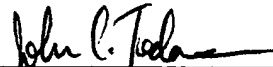

Applicants respectfully request that the Examiner  
consider these references, and make them of record in this  
application.

While the patents and publications listed in this  
Information Disclosure Statement may be "material" pursuant  
to 37 CFR 1.56, the Information Disclosure Statement is not  
intended to constitute an admission that the publications or  
other information referred to therein are "prior art" for  
this invention unless specifically designated as such.

Pursuant to 37 CFR 1.98(d), copies of the various articles are not enclosed since all of the articles have previously been cited by the Patent Office or submitted in U.S. application Serial No. 08/082,226, from which applicants have claimed priority.

Since this Information Disclosure Statement is being filed pursuant to 37 C.F.R. 1.97(c), a fee of \$230.00 is enclosed.

Respectfully submitted,

---
